Dear Colleagues

'Getting Them to Congress' - Copenhagen, Denmark 2017

I am writing to inform you that following the very successful Congress this year in Cartagena we are again inviting any WSAVA assembly member who cannot attend the congress due to economic difficulties, to apply for a full or partial grant to help with travel expenses to attend the congress in Copenhagen, Denmark 25-28 September 2017.

In the attached SOP, you will find the application criteria and voting information. We do hope you will apply if you fit the qualifying criteria. This year three grant recipients from Cuba, Kenya and Montenegro attended the congress in Cartagena. All of them have written to say that it was an invaluable experience and one that they would highly recommend.

We have limited funds for this project but encourage some of our more fortunate associations to donate to the cause. Even \$1000 or €1000 or whatever you can give will go a long way and will be matched from the WSAVA New Initiatives Fund.

With kind regards
Yours sincerely,

Dr. Renée Chalmers Hoyneck van Papendrecht
Honorary Secretary, WSAVA
